## Tutor: Katherine

**Qualifications:** Qualified Teacher Status (QTS)

BSc Psychology and Sociology.

MSc Teaching in Psychology.

### Experience

Worked as a Teacher of Psychology & Sociology (Head of Department) at an outstanding school in London for over 11 years. I have now been tutoring full time for 5 years for all exam boards. I have been an examiner for both AQA and Edexcel.

I have a Masters Degree in 'Teaching In Psychology (MSc)' and have been in charge of teaching and learning in my previous roles. This means I understand exactly what the best ways are to teach for success. I am passionate about my subjects and enjoy working with young people and work hard to ensure they reach or exceed their potential.

I have written many UCAS references and have helped many students with their personal statements who have gone on to top universities such as Oxford, UCL, Cambridge and many other Russell Group Universities.

I have written articles for Psychology teaching magazines and gone into schools to help advise psychology teachers on best practice.

### Testimonials

"Kat really helped me get through my psychology exam. She explains and breaks down complicated terminology and theories in a way that makes it easy to understand"

"I got an A in psychology and would not have done that without Katherine. She made me focus more on my exam technique rather than just learning everything. That was the key."
